The Saddlery Shop are specialists in equestrian equipment and carry a huge range of saddles. Our horse saddles are from top brands such as Wintec, Bates and Kincaid and we stock genuine leather and synthetic horse saddles. The above picture is of a simple, single joint loose ring snaffle. The rings are joined to the mouthpiece through bevel holes through which the rings can freely rotate and spin around. BHS Scotland is Scotland's largest equine membership organisation with around 7000 members and rising. We have enthusiastic and informed volunteers who help deliver our work throughout Scotland in the areas of access, welfare, safety, competitions, education, exams, riding clubs and more. In old engravings of manege riding you hardly see any nosebands, either. That is because they were not needed, and thus not used. That's because the true purpose of the noseband is safety in war and velocity sports., Pony Club Guide To Bits And Bitting.
