

Download Activity 2 3 Glass Box Answer Key

In this activity you will design and build a box from a flat sheet of transparency film. You will then use your glass box to help you sketch orthogonal projections of an object and create multiview drawings. Activity 2.3 Glass Box Answer Key. Introduction. Objects to be produced accurately often require more than a pictorial sketch. Multiview drawings provide an accurate representation of an object which can be used to create a physical object.
