Residential Colleges Worldwide Robert J. O'Hara (rjohara@post.harvard.edu) A dormitory is organized to provide food and shelter; a college, to provide for the student's intellectual, social, and personal development. A collegiate university is a university in which functions are divided between a central administration and a number of constituent colleges. The two principal forms are residential college universities, where the central university is responsible for teaching and colleges may deliver some teaching but are primarily residential communities, and ...While college is first an academic experience, it's also a social experience since you're making a new home and meeting new people—and Western Carolina University's residential communities are a great place to start.
