We've got the best prices for fireless cookers haybox cookers & retained heat cookers: making & using off-grid cooking devices and other amazing Cookbooks deals.Solar Cooker Copyright © 2006 - 2015 All Rights Reserved by the Original Contributor, Creator and Copyright holder. Copyright is retained by the original contributor to the discussion list and web site.I was told that the original haybox cookers were made by packing damp hay in a wooden box around the pot, and when the hay dried, it retained the shape of the pot. The first one I made was made with wet cellulose packed into a plastic tote with the intended pot in the centre. It's drying now. The one I will make today is with wet shredded paper packed around a pot in another plastic tote. I ..., Fireless Cookers Haybox Cookers Retained Heat Cookers.
