A bit daunting, if only because it is so large - but then, it is an encyclopedia, so daunting is more or less the point. Bought for me by the ex love of my life - who would be somewhat annoyed that I'm doing more cooking out of it now that she's no longer around to reap the benefits. Many of my friends are confounded by Italian food thinking it complicated. It is anything but complicated and this volume shows how easy it is to create our dishes. The photos are well done and the text easy to read. When I share it with my co-workers and friends they are always surprised at the ease of cooking fresh food from the best ingredients. This, Italian Cooking Encyclopedia, will do the same for you. Italian Cooking Encyclopedia by Linda Frazier and a great selection of related books, art and collectibles available now at [AbeBooks.com](http://AbeBooks.com). A professional guide to Italian ingredients and cooking techniques, including 300 step-by-step recipes., Italian Cooking Encyclopedia Linda Frazier.
