Thanks for these recipes! I'm making the vegetable empanada filling right now... I noticed the directions say to add curry powder along with the cumin, etc. What a great find. I lived in Bolivia about 50 years ago. The one food I remember best were the empanadas. Recently during a reunion with old friends I was reacquainted with empanadas which triggered my search for recipes. Empanadas mendocinas are classic Argentinean baked empanadas filled with beef, onions, paprika, hot pepper powder, cumin, oregano, hard-boiled egg and olives. Tis the season to go decadent—rich pumpkin, bread crumbs, tempeh, turmeric, and a medley of mushrooms are all baked into this deliciously layered dish., Most Delicious Empanada Recipes World.
