Virtus was a specific virtue in Ancient Rome. It carries connotations of valor, manliness, excellence, courage, character, and worth, perceived as masculine strengths (from Latin vir, "man"). Homosexuality in ancient Rome often differs markedly from the contemporary West. Latin lacks words that would precisely translate "homosexual" and "heterosexual". The primary dichotomy of ancient Roman sexuality was active/dominant/masculine and passive/submissive/feminine.????????????????????,??Dyd (norrønt dygd) er en moralsk verdifull egenskap. En dyd er et positivt trekk eller en kvalitet som er vurdert som moralsk god og således er ens personlige dyder verdsatt som grunnleggende goder., Roman Manliness Virtus And The Roman Republic.
