

# **Download Stages Of Busi(-)ness And Identity (eastenders).**

EastEnders, then, in cynically using business settings as stages for social and family interaction, demonstrates the slipperiness of the stages, and the facility by which actors can be directed from one site to another while retaining some credibility. We use cookies to offer you a better experience, personalize content, tailor advertising, provide social media features, and better understand the use of our services. Once upon a time in the EastEnd ... Peggy, in between pulling pints behind the bar of her pub, looks across to Grant, her son, and Tiffany, her daughter-in-law: "It's worth having you two back together again", she says, "even if it has cost me a barmaid".
