

Download Touch Of The Goddess

My name is Sharon. I live in the Valley of the Sun, also known as Phoenix, Arizona. In this day and age, I believe that it is imperative that we not only do our best to keep our bodies healthy, but our mental, emotional and spiritual needs should be met, also. "Touch of the Goddess" is the first book in a series of three, mixing mythology, science fiction, and romance. Über den Autor und weitere Mitwirkende Maria Hammarblad is a Swedish author and bass player whose fascination with books started early. Touch of the Goddess, Phoenix, Arizona. 1.3K likes. energetic healing sessions, Tarot readings, past life regressions, art
